

The background of the entire page is a vibrant orange-to-yellow gradient. In the center, the Incredibles family is depicted in their iconic red and black superhero suits. Mr. Incredible stands in the middle, looking forward with a slight smile. Mrs. Incredible is to his left, also looking forward. Elastigirl is to his right, looking towards the camera. Mr. Jack-Jack is at the bottom center, looking up. The family is surrounded by several white text boxes with black borders, each containing a subject and a description of the curriculum for that subject.

**We Are Incredible!**

**Autumn Term 2025**

**Year 2**

As Design Technicians, we will be learning to select the best tools and materials for a task. We will be joining textiles together in different ways and evaluating our work.

As Geographers, we will be naming, locating and identifying the seven continents and the oceans of the world. We will then use an atlas to locate these.

In English, we will be reading and writing stories with familiar settings, writing instructions and sharing poetry on a theme.

In Maths, we will be revisiting and developing our place value knowledge, addition and subtraction skills and introducing multiplication knowledge.

As Musicians, we will be using tuned and untuned instruments to make music. We will be exploring signing to songs using Makaton. We will be learning to recognise simple rhythms and understanding the basics of music.

As Sportspeople, we will be learning how to exercise safely and explain what our body needs to be healthy. We will be learning skills and applying them to team building and games and will also plan a sequence of controlled movements in Gymnastics.

As Historians, we will be sequencing key events from the past, as well as key events from our own life, in chronological order. We will be learning to use the correct language associated with this.

As Scientists, we will be learning many scientific skills, whilst exploring the uses of every day materials; We will be identifying and comparing the suitability of a variety of these materials. We will also be observing the changes across the four seasons.

As Artists, we will be developing our skills with different media, creating our own representations and mixing colours to make different tones and tints.

In R.E, we will be exploring why light is an important symbol to people in their religions and what the Nativity story teaches Christians about Jesus

In Computing we will be using different tools to create a picture using different computer program

In PSHE, we will be looking at who I am and how I fit in as well as celebrating differences while we develop respect for similarities and differences, discuss Anti-Bullying and being unique.
