

As Good Citizens we'll be talking and thinking about:

- physical health and wellbeing
- growing and changing
- keeping safe.

As Geographers, we'll be investigating fair trade and the economy. We will also develop our knowledge about different settlements and what services are found in each.

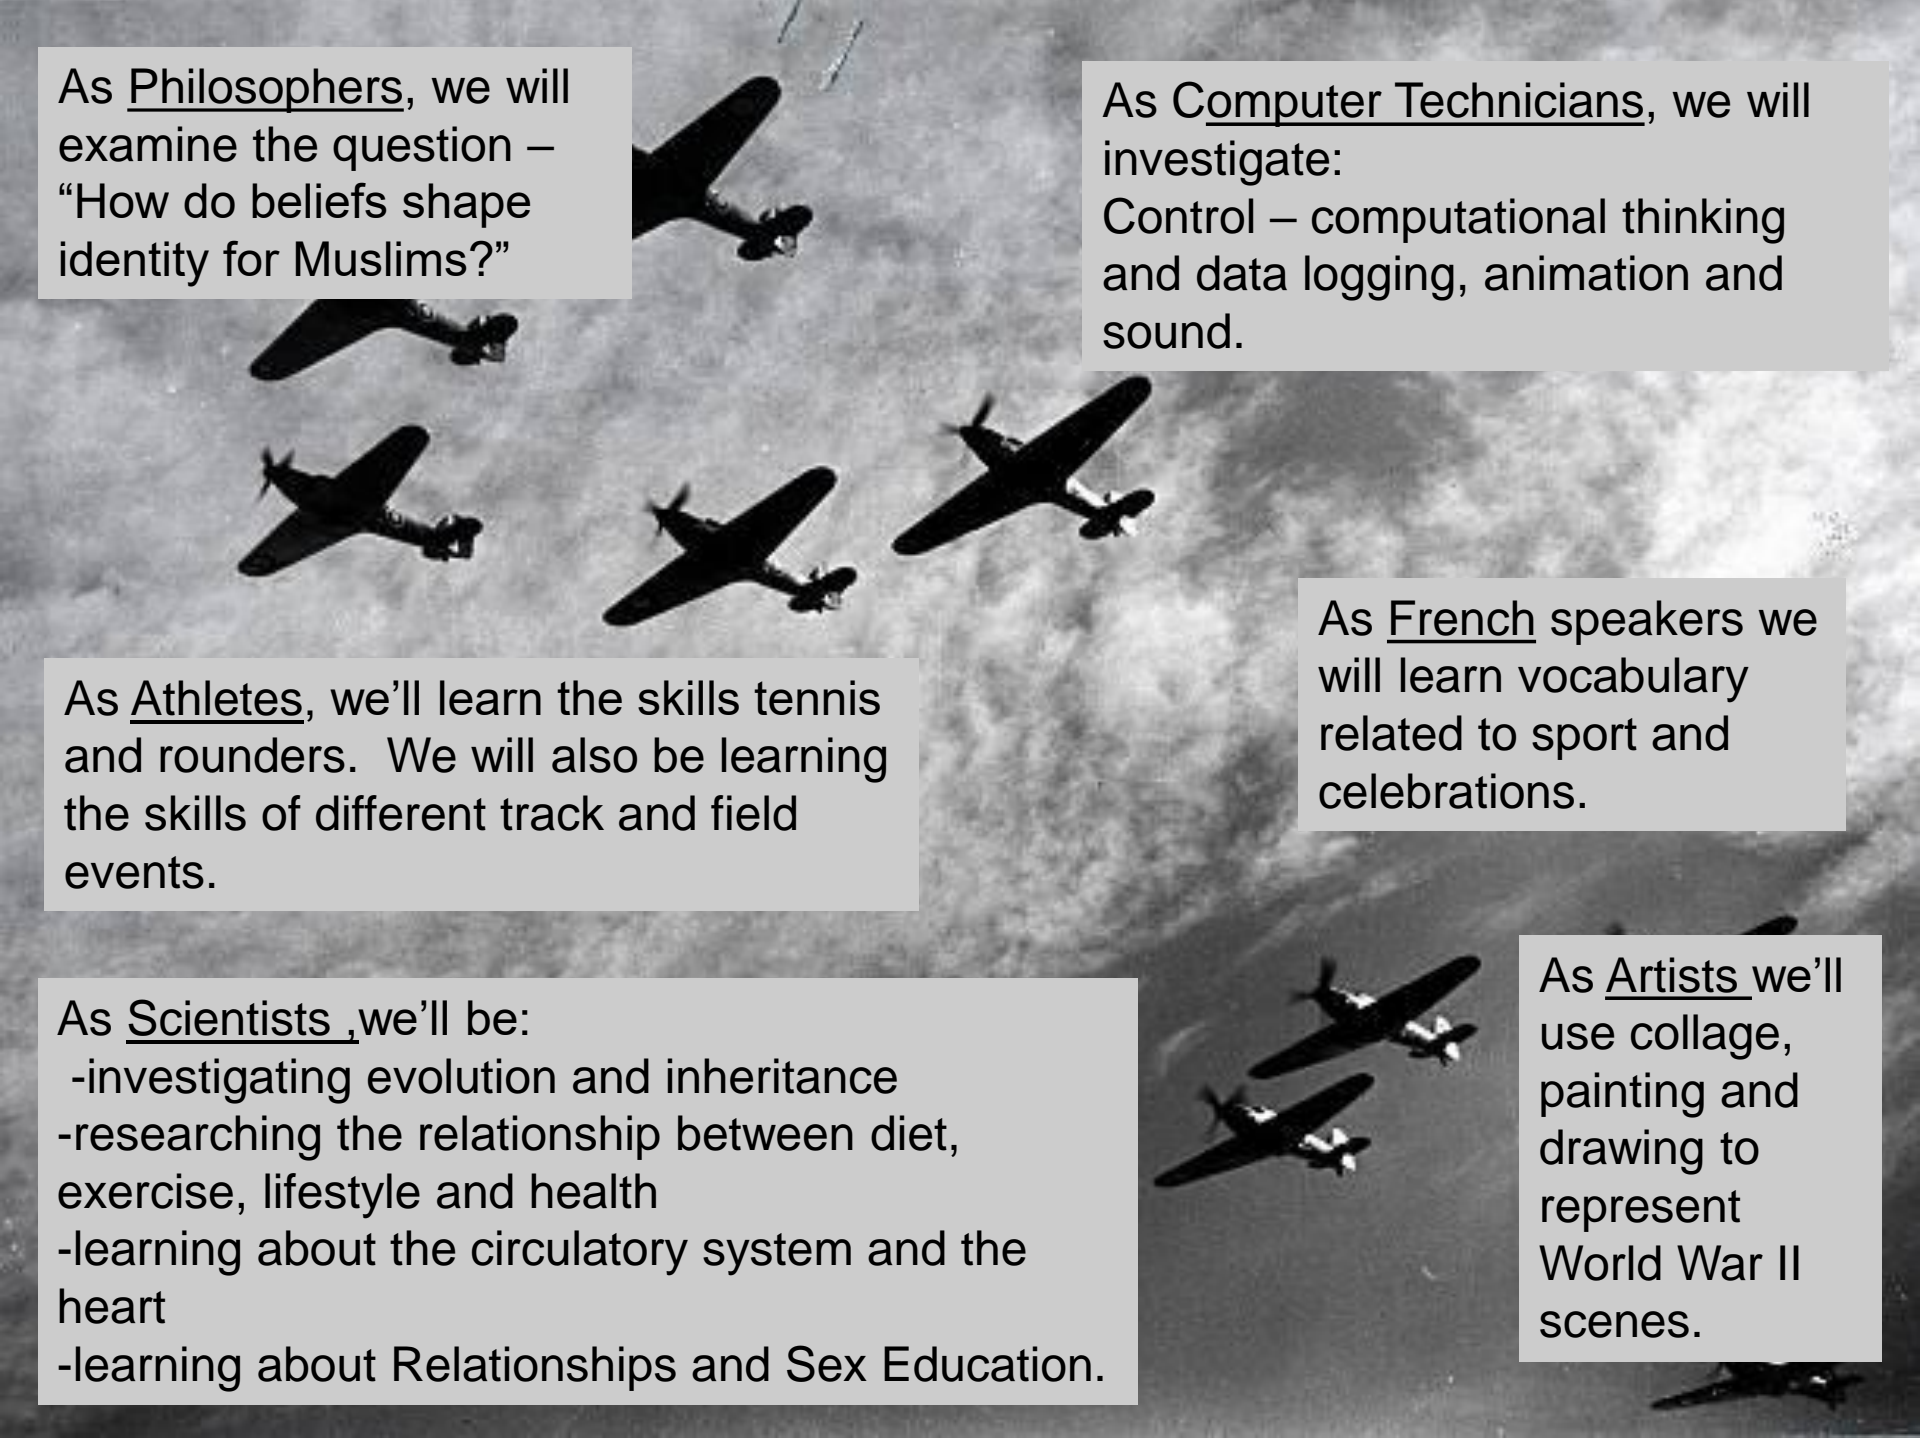

Battle of Britain

Year 6
Summer Term
2026

As Writers, we will be using our imagination to write war time letters, diaries, poetry, narratives and propaganda posters. We will study Goodnight Mr Tom and Carrie's War.

As Design Technologists we will design and make air raid shelters. We will use electrical components.

As Historians we'll be learning about the Battle of Britain and World War Two, as a significant turning point in British History.

As Philosophers, we will examine the question – “How do beliefs shape identity for Muslims?”

As Computer Technicians, we will investigate:
Control – computational thinking and data logging, animation and sound.

As Athletes, we’ll learn the skills tennis and rounders. We will also be learning the skills of different track and field events.

As French speakers we will learn vocabulary related to sport and celebrations.

As Scientists, we’ll be:

- investigating evolution and inheritance
- researching the relationship between diet, exercise, lifestyle and health
- learning about the circulatory system and the heart
- learning about Relationships and Sex Education.

As Artists we’ll use collage, painting and drawing to represent World War II scenes.
