

As Writers, we'll be using our imagination to write war time letters, diaries, poetry, newspaper reports and propaganda posters. We will study different texts and inspiration to help our writing.

As Geographers, we'll be investigating trade, fair trade and exploring the global economy.

As Historians we'll be learning about the Battle of Britain, as a significant turning point in British History.

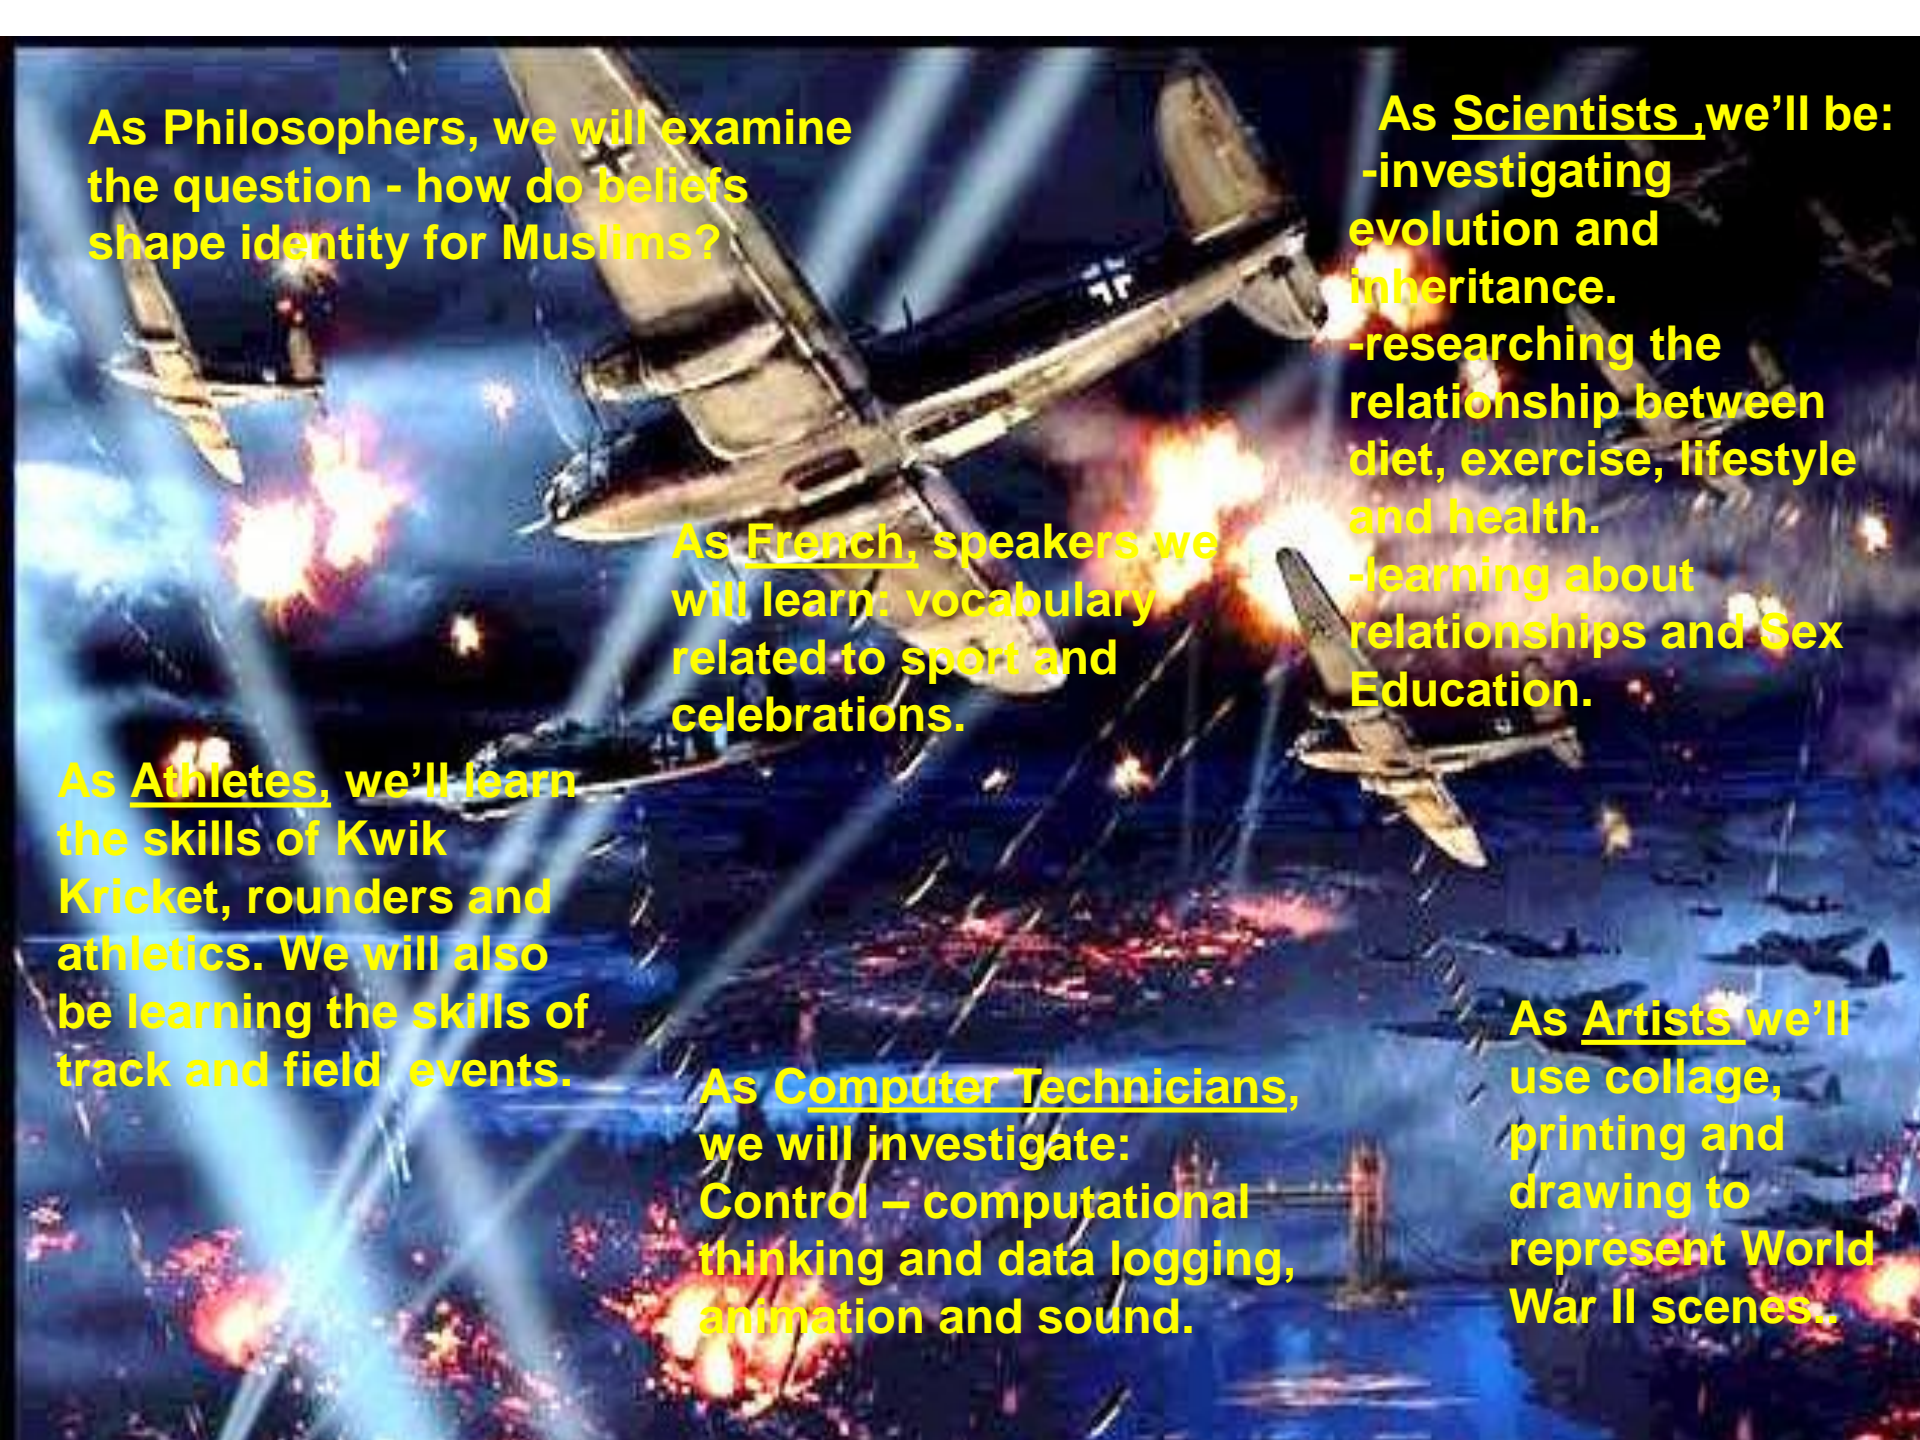

As Good Citizens we'll be talking and thinking about:

- physical health and wellbeing
- growing and changing
- keeping safe.

As Design Technologists we will design and make air raid shelters and vehicles. We will use electrical components.

Battle of Britain

Year 6
Summer Term
2025

As **Philosophers**, we will examine the question - how do beliefs shape identity for Muslims?

As **Scientists**, we'll be:

- investigating evolution and inheritance.
- researching the relationship between diet, exercise, lifestyle and health.
- learning about relationships and Sex Education.

As **French** speakers we will learn: vocabulary related to sport and celebrations.

As **Athletes**, we'll learn the skills of Kwik Cricket, rounders and athletics. We will also be learning the skills of track and field events.

As **Computer Technicians**, we will investigate: Control – computational thinking and data logging, animation and sound.

As **Artists** we'll use collage, printing and drawing to represent World War II scenes.
