

As **Artists**, we will be looking at Greek art work and using this to inspire some of our own. We will be using everyday materials plus mod-rock to make Greek pots and vases.

As **Computer Technicians**, we will be learning about coding and control using commands.

As **Writers**, we will be using the Ancient Greeks to help us write a range of genres. Such as: newspaper reports, balanced arguments, myths and legends.

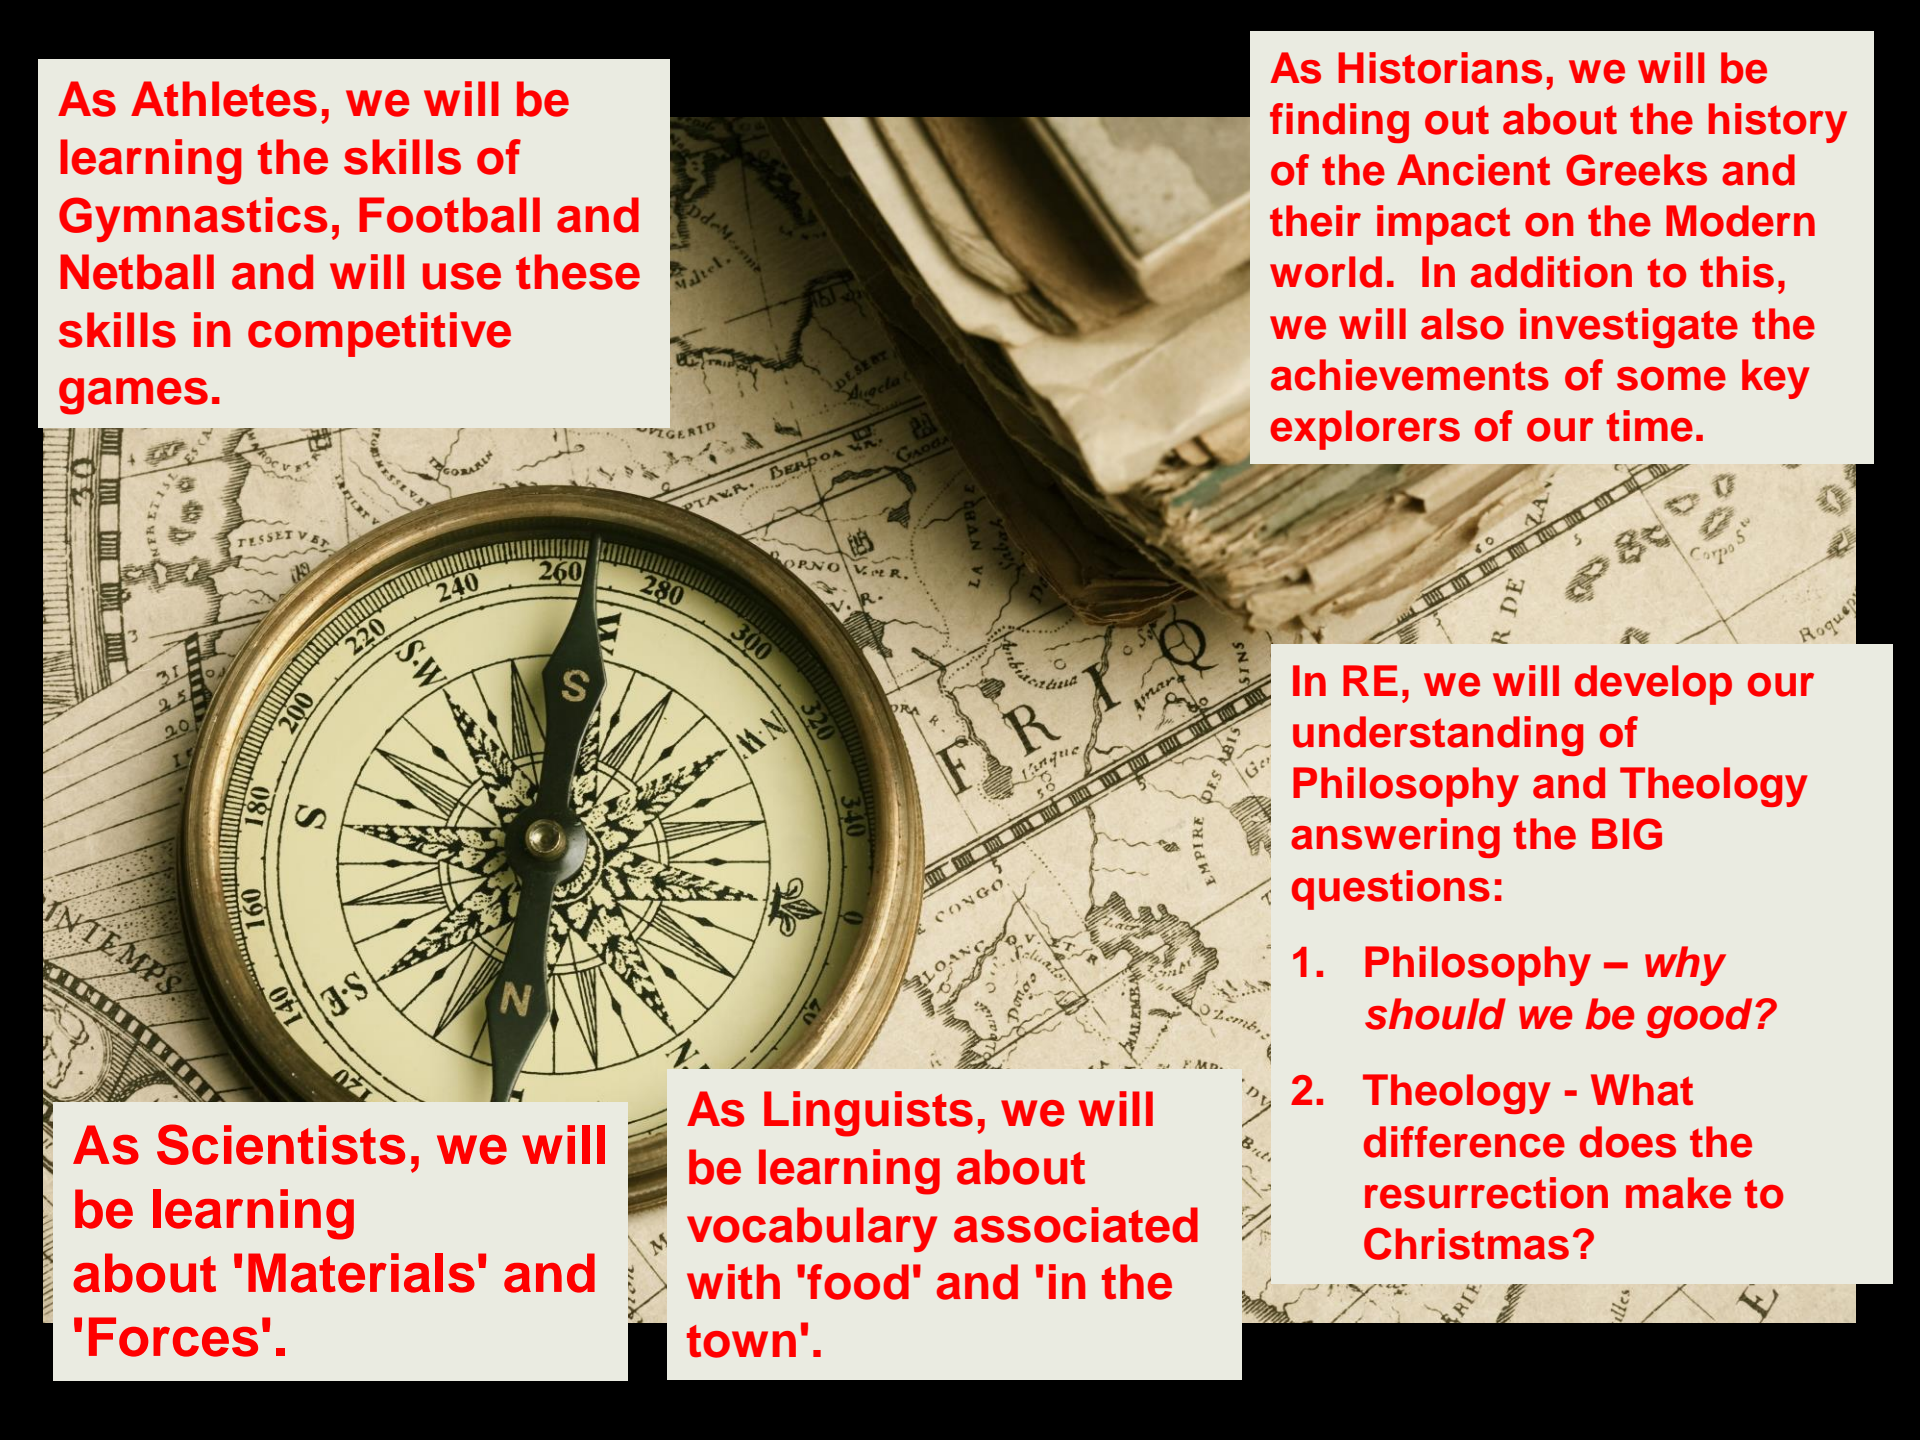

As **Musicians**, we will be learning to appreciate a wide variety of high-quality music with very different styles.

Yr 5 Spring Term
2025

***The Awesome Ancient
Greeks and Eager
Explorers***

As **Geographers**, we will be exploring Eastern Europe and looking at the explorers of our time.

As **Design Technologists**, we will be linking our learning to Science and look at mechanisms and pulleys.

As Athletes, we will be learning the skills of Gymnastics, Football and Netball and will use these skills in competitive games.

As Historians, we will be finding out about the history of the Ancient Greeks and their impact on the Modern world. In addition to this, we will also investigate the achievements of some key explorers of our time.

In RE, we will develop our understanding of Philosophy and Theology answering the BIG questions:

- 1. Philosophy – *why should we be good?***
- 2. Theology - What difference does the resurrection make to Christmas?**

As Scientists, we will be learning about 'Materials' and 'Forces'.

As Linguists, we will be learning about vocabulary associated with 'food' and 'in the town'.
